

# PROUD PARENTS

Mom and Dad  
took good  
care of my  
sister and me.  
They kept us  
safe and well  
fed.

Look at how fast  
I grew. Here, I was  
almost as big as  
my dad!

BOBO'S FEET  
WON'T TURN  
BLUE UNTIL HE'S  
ALL GROWN UP.

Check out my new wing feathers!  
I couldn't wait for them to grow  
in so I could fly.

Now I'm all grown up, and I can do all the things  
adult *blue-footed boobies* can do—like fly!
